

Biblical Manuscript Content Strategy: Newsletter Topics & Platform Recommendations

Best Platforms for Biblical Manuscript Niche

Primary Platforms (Tier 1)

YouTube - Essential Foundation Platform

- \$0.002 to \$0.025 per view with multiple monetization streams
- Long-form content ideal for detailed manuscript analysis
- BibleProject demonstrates massive success with 130+ videos reaching \$9M+ revenue by 2019
- Strong search functionality for educational content
- Partner Program benefits at 1K subscribers/4K watch hours

Substack - Premium Content & Community Building

- Hebrew Israelite creators like "Unknown Hebrew" successfully using platform
- Direct subscriber relationships with paid tier options
- Email integration for consistent audience reach
- Easy migration from WordPress, Medium, and other platforms

Secondary Platforms (Tier 2)

Instagram - Visual Manuscript Showcase

- Bible influencers ranging from 65K-6M followers
- Stories and Reels for manuscript highlights
- Strong engagement for visual content

TikTok - Short-Form Educational Content

- 90% algorithm-based discovery regardless of follower count
- \$0.02-\$0.04 per 1,000 views plus brand partnerships
- Ideal for "manuscript moments" and quick education

Specialized Platforms (Tier 3)

HebrewConnect.tv - Niche Hebrew Israelite Content

- Hebrew Israelite-focused video platform
- Community specifically aligned with target audience
- Smaller but highly engaged user base

Medium - Long-Form Articles

- Academic credibility for detailed manuscript analysis
- SEO benefits for educational content
