

Strategic Clarity Assessment

Welcome • Quick Start • Privacy • Terms

Thank you for purchasing the Strategic Clarity Assessment. This product is delivered as a ZIP file so you can keep it, run it locally, and return to it anytime.

1) What You Received

This Welcome and Guide document.

The Strategic Clarity Assessment HTML module

A 31-question diagnostic that runs locally in your browser. Reveals your strategic operating pattern, how clarity, systems, and action interact when the stakes rise. Provides your Strategic Clarity Profile, Pattern Analysis, and Immediate Blueprint.

Keep-sake storage

Your responses and results are saved locally on your device (no account required).

Download / Export tools

Download your results as a PDF or export a plain-text keepsake for your records.

Feedback & support

Submit feedback or questions at: sonlyconsulting.com/inquiries

2) Quick Start

1 Unzip the file to a folder you can find again.

2 Open the HTML file in a modern browser (Chrome, Edge, Safari).

3 Complete the 31-question assessment (5–7 minutes). You can pause anytime; your progress saves locally.

4 Review your Strategic Clarity Profile, Pattern Analysis, and Immediate Blueprint.

5 Download your results (PDF) or export (TXT) to keep a permanent copy.

Local storage note

This assessment saves your responses and results on your device using browser storage. If you clear browser data, use private/incognito mode, or switch devices/browsers, saved progress may not carry over.

3) Privacy and Cookies

The Strategic Clarity Assessment is designed to work locally. Your responses are processed in your browser and stored on your device—private, secure, yours alone. When you visit sonlyconsulting.com, the website may use cookies and similar technologies for essential site functions and consent/analytics preferences.

Note: For the website experience, Wix provides tools such as a privacy center and cookie banner that can allow visitors to accept or decline non-essential cookies.

4) Policies and Terms (Customer-Facing Summary)

This section is written in plain language to set expectations. For the definitive versions of SC policies, refer to the published pages on sonlyconsulting.com.

Data you may provide (website only)

If you submit a form (e.g., inquiries, checkout, membership), you may provide contact details and message content. That information is only used to respond to your request, deliver purchased items, and improve support.

Cookie categories (website only)

- Essential: required for site security, core features, and basic functionality.
- Preferences: remember settings (e.g., consent choices).
- Analytics: help understand traffic and improve pages (where enabled).
- Marketing: used for advertising/retargeting (only where enabled and consented, if applicable).

Local storage advocacy (Strategic Clarity Assessment module)

The Strategic Clarity Assessment uses local browser storage so you can work without needing an account. This keeps your diagnostic results and reflections close to you. You control it: you can clear it, download/export your work, and decide what to keep.

License and prohibited conduct

- Personal-use license only. Do not redistribute, resell, sublicense, or publish the module or its contents.
- Do not upload the module to public repositories, shared drives, or community sites.
- Do not attempt to extract, replicate, train on, or reverse engineer the diagnostic rules, scoring logic, or classification methods.
- Do not remove trademarks or ownership notices.

No refunds / final sale

Because this is a digital product delivered immediately, all sales are final unless otherwise required by applicable law.

Disclaimer

The Strategic Clarity Assessment provides educational and informational tools. It is not legal, medical, financial, or professional advice. You are responsible for how you apply the material and for your decisions.

Feedback and support

Submit feedback, bug reports, or questions at: sonlyconsulting.com/inquiries. If you are a member, you may also have access to member-only support channels.
